

Please do not take away the Wisconsin Do Not Call List! It is very irritating when telemarketers call my home. What is even worse is when they get cell phone numbers. Prior to having my number on the list, telemarketers were calling and harassing 4-5 times a day. Once on the list, it was great not to have to deal with those calls. If I want to learn about a company's product, I will research it myself and call them! I do not want to hear about products that I am not interested in! PLEASE DO NOT TAKE AWAY THE WISCONSIN DO NOT CALL LIST!

I am not giving you my email as I am also sick of getting crap emails from companies I do not care about. I just spent \$250 because a computer worm had crashed my computer due to Spyware and constant pop-ups!
